Mrs. Antoinette Tregler
1955 South Seventh Street
Milwaukee, Wisconsin 53204

Dear Mrs. Tregler:

I regret I must be brief, but I must pthank you for raising a provocative point about the roses. While there is nothing I can now do about it because I am too busy with WHITEWASH III, I will pass it on to others.

With something like this subject, there is no telling what may lead to a worthwhile development.

Sincerely,

Harold Weisberg
